Problems at the exit from the PL

Nowhere to go, absence

Breaking family ties

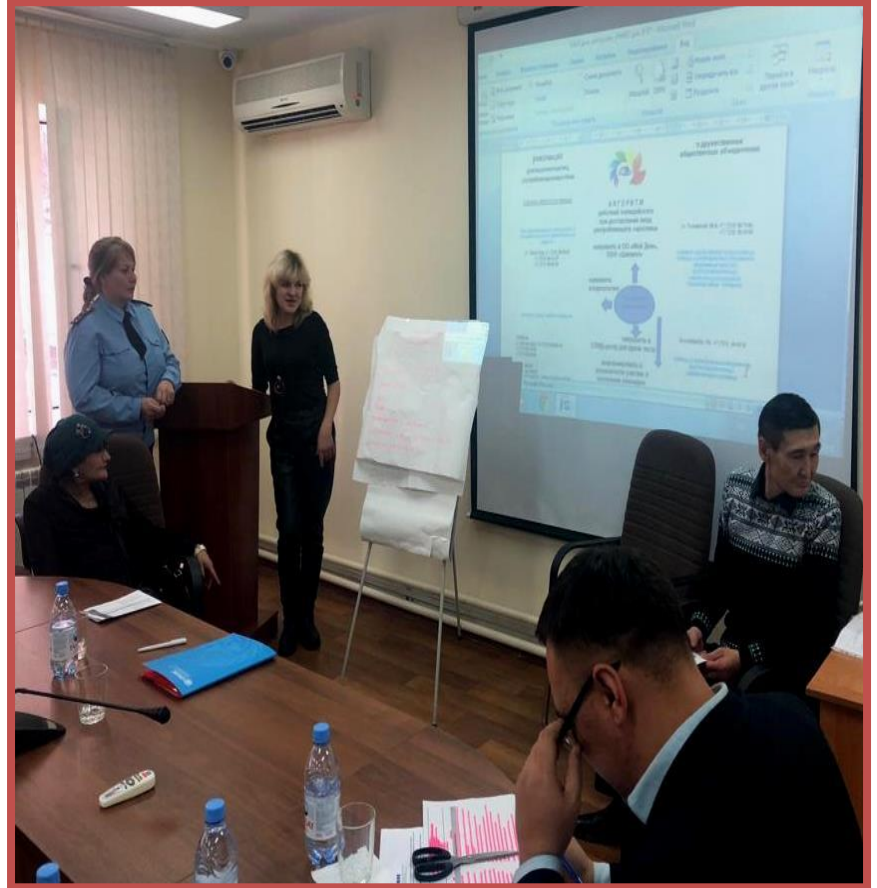

Difficulties in getting a job

Psychological instability,
complete confusion

Long-term receipt of
documents

Seminars with probation services

Barriers to successful re socialization in society

- Long-term receipt of identity documents from correctional Institutions to the control authorities.
- Lack of crisis centers and social dormitories with a gender-sensitive approach.
- Stigma and discrimination
- Difficulties with employment.

Integrated approach model

Basic needs of food,
accommodation

Содействие в
трудоустройстве

for
successful
re-
socialization

Restoration of social
status
(documentation,
Registration)

Social support
in medical and
social services

Psychological
support, equal
counseling

Way of solution

- Strengthening inter-Agency collaboration with NGOs
- Conducting a study " Social portrait of former convicts»
- Implementation of a human-oriented and gender-sensitive model of successful re-socialization
- Opening of the centres for social support with the involvement of peer counsellors
- Creation of social enterprises, the creation of jobs.
